Re: Heritage Realty Management, Inc. v. John Allin

Dear Mr. Lanzillo:

I am enclosing documentation responsive to your most recent request concerning Mr. Allin's accounting of time and expense arising from efforts expended under the subject contract. Other than the volume of documents previously provided to you, we do not have any other source materials. The documents previously produced include those numbered JA7756-7781. The documents previously produced also include communications with prospective plow operators, as well as records reflective of other activities which confirm that time and effort was expended by Mr. Allin under the contract.

We are still waiting to hear from you regarding the potential dates for the depositions of the representatives from Heritage Realty. I would greatly appreciate it if you could advise me as to the current status.

Very truly yours,

ELDERKIN, MARTIN, KELLY & MESSINA
